Q1.At present, what kind of work do you do?

The task of Placement Technician includes advertisement, selection, and placement of employees. My main duties are: preparing vacancy announcement; establishing qualification requirements; and processing personnel action forms. I try to maintain close contact and communication with managers and liaisons at each work place in order to understand their needs. I perform daily duties with my team members and supervisors by sharing information and making coordination so we can smoothly accomplish mission.

Q2. The appeal of the workplace

I think our leave system is quite beneficial. When my child falls ill. I can take child medical care leave. I am very thankful for my team members and supervisor for their understanding and support. Regarding training, it is conducted at the workplace such as writing reports in English which can help me improve my skills. Another fascinating aspect of my job involves the opportunity to get a first-hand experience of American culture through seasonal events such as Halloween, Thanksgiving, Christmas, etc...

Q3. Advice to individuals aspiring to work at the bases

There are various avenues to obtain the English qualification or qualifications relevant to the job one aspires to be in. Service and benefit programs are also well-established and it is an attractive workplace where it is easy for women to work.

Q1.At present, what kind of work do you do?

We receive the necessary funds from other activities (clients) when we also receive requests for work from other activities. The department manages the funds received and communicates with clients to reconcile funds as needed. I always communicate with my supervisor, and if there is a problem, I discuss it with my supervisor for resolution.

Q2. The appeal of the workplace

The constant interaction with other codes in the activity allows me to learn something new every day, which leads to my personal growth. My supervisor understands my childcare needs, and I am able to balance work and childcare by being able to respond to urgent calls from daycare centers and elementary schools.

Q3. Advice to individuals aspiring to work at the bases

Annual leave system and child medical care leave are also available, so you can work with peace of mind while raising small children. There are a variety of positions available, so you can pursue the most appropriate career advancement at the right time

Q3. Advice to individuals aspiring to work at the bases

I got a job at the base because I wanted to utilize my experience working overseas and wished to work in a job where I could utilize English. Even after my marriage and the birth of my child, I have been able to continue working without any worries. This is because of my supervisors and colleagues, who have been very understanding of my personal situation where, aside from the availability of a system of paid vacation, maternity leave, and child-care leave. I may have to suddenly leave early when my child is ill or be absent from work.

There are many working mothers, and I think it is an environment in which it is easy to work in spite of changes in the stages of one's life. There are various kinds of occupations available here, and regardless of age or gender, it is possible to move up in one's career or change jobs.
