Q1.At present, what kind of work do you do?

The task of Placement Technician includes advertisement, selection, and placement of employees. My main duties are: preparing vacancy announcement; establishing qualification requirements; and processing personnel action forms. I try to maintain close contact and communication with managers and liaisons at each work place in order to understand their needs. I perform daily duties with my team members and supervisors by sharing information and making coordination so we can smoothly accomplish mission.

Q2. The appeal of the workplace

I think our leave system is quite beneficial. When my child falls ill. I can take child medical care leave. I am verv thankful for my team members and supervisor for their understanding and support. Regarding training, it is conducted at the workplace such as writing reports in English which can help me improve my skills. Another fascinating aspect of my job involves the opportunity to get a first-hand experience of American culture through seasonal events such as Halloween, Thanksgiving, Christmas, etc...

Q3. Advice to individuals aspiring to work at the bases

There are various avenues to obtain the English qualification or qualifications relevant to the job one aspires to be in. Service and benefit programs are also well-established and it is an attractive workplace where it is easy for women to work.
